

March 24, 2008

A proposed merger of Missouri Farmers Union Credit Union (merging), a Missouri state-chartered credit union into River Region Credit Union (surviving), a Missouri state-chartered credit union, has been granted pending the affirmation of the credit union's share insurer, the National Credit Union Administration.

No vote of the membership is required due to the financial condition of the credit union (RSMo 370.353 (3)).
