A proposed merger of Sikeston Community Credit Union (merging), Sikeston, Missouri into West Community Credit Union (surviving) St. Charles, Missouri, has been granted pending the affirmation of the credit union's share insurer, the National Credit Union Administration. Sikeston Community Credit Union has an asset size of \$73,638, according to the National Credit Union Administration's September 2008 Financial Performance Report.

No vote of the membership is required due to the lack of resources of the merging credit union.
